

An aerial photograph of the Alabama State House and its surrounding campus. The central focus is the Alabama State Capitol building, a large, light-colored neoclassical structure with a prominent dome. To its right is a large, circular green lawn. Further to the right are several other large, modern buildings with classical architectural elements, including columns and pediments. The campus is surrounded by a dense residential area with many trees. In the foreground, there are large, leafy trees. A white circular graphic with a thin black border is overlaid on the left side of the image, containing the text 'The Alabama State House'.
